## **WEATHERILL, Anna**

As a family resident of Wanneroo for 14 years, I am an active community member and part of the local workforce. I have volunteered for various community roles including Manager, Coach and Secretary for various sports teams and dedicated a number of years as a Girl Guide Leader.

I am a proud member of our community supporting sound initiatives and developments. I aim to ensure all financial transactions are transparent and honest whilst maintaining a level of accountability to maintain and improve our facilities and services in a viable and forward thinking manner. I will not shy away from issues of concern.

I would be honoured to represent our community with honest integrity. Our community deserves a voice and I intend to listen carefully and provide true community representation.
