

Mayor's Message

Linda Aitken JP

Welcome to the September edition of Wanneroo Link.

Spring has officially sprung, and with it we approach the warmer weather.

It's important that we all start to prepare and get bushfire ready.

Our first emergency preparedness event for the season is being held Saturday 19 October at Bunnings Wangara.

Come down and meet with local emergency services agencies and make sure you know how to prepare yourself and your family as well as your property, pets and animals for emergencies.

Beach days are on the horizon, and we want to ensure our beaches are accessible to all.

The City's beach wheelchair can be hired for free from October to April and allows people with mobility challenges to access Quinns Beach.

The program is supported by Surf Life Saving WA and the Quinns Mindarie Surf Life Saving Club.

Kingsway Indoor Stadium's Junior Sports Competition season kicks off next week and we encourage you to hit the court and show off your best moves, while having fun and making new friends!

The program is open to all skill levels, from beginners to advanced, with a focus on fun and fairness.
