

Mayor's Message

Linda Aitken JP

Welcome to the October edition of Wanneroo Link.

I'm pleased to announce that the Mayor's Christmas Appeal is back for 2024!

Help locals doing it tough this Christmas by donating toys, non-perishable food and living essentials to those currently facing hardship.

Until Sunday 24 November, you can drop donations in one of the Appeal bins at the Civic Centre, the City's libraries and community centres or at one of 60 participating locations within the City.

Please donate if you can and help us make this Christmas a special time for all City of Wanneroo residents.
