

CITY OF WANNEROO POSITION DESCRIPTION

POSITION TITLE: Coordinator Construction	DIRECTORATE: Assets	DATE: March 2021
REPORTS TO: Manager Infrastructure Capital Works	SERVICE UNIT: Infrastructure Capital Works	LEVEL: 9
POSITION NUMBER: IN31038 (3285)	SUB UNIT: Construction	ROLE FOCUS: Advice
ROLE BALANCE: (People/Scheduling/Technical) 60/10/30	JOB FAMILY:	ANZSCO CODE:

ORGANISATIONAL CONTEXT

The City of Wanneroo (the City) is an expanding and thriving Local Government on the northern fringe of the Perth Metropolitan area, located approximately 12km from the CBD at its nearest point and 62km at its furthest point. Our community, council and City administration are working actively towards our vision of building a future together by collaborating with all stakeholders.

DIRECTORATE CONTEXT

The **Assets Directorate** is responsible for ensuring the City's assets are strategically planned, built and managed to a high standard. This includes ensuring the effective and efficient deployment of resources to maximise the benefits to the community. These benefits may be gained from major infrastructure projects like roads and buildings, and also community enhancing infrastructure like parks and coastal environments.

POSITION CONTEXT

Under broad oversight of the Manager Infrastructure Capital Works, leads and manages the Construction Sub Unit by applying specialisation in civil engineering; and by applying specialist (technical) proficiencies to design and implement work practices and manage work flows safely and efficiently to ensure the City's corporate business objectives are achieved to meet current and anticipated changing organisational needs.

Accountable for the work performance including conduct and safety, of reports within the Sub Unit as well as the culture and climate of their team as demonstrated through the alignment of behaviours to values.

The role communicates with a range of customers and stakeholders including consultants and contractors; government departments and agencies; other local governments; the business community; vendors and suppliers; members of the public; and City leaders and employees.

A challenging aspect of the role is balancing the people management and technical elements of the role, along with strategic and operational delivery.

The City values an agile workforce where people are engaged to deliver excellent customer outcomes and have the aptitude to adapt to changes in the internal and external environment. As such, all roles may be required to work in any Service Unit across the City and perform activities outside of those described in this position description, aligned to the incumbent's skills, qualifications and training. A positive, proactive approach to change is required.

FUNCTIONAL ACCOUNTABILITY

Accountable for leading and managing Construction Sub Unit.
